

Children's Justice Trainings

Prevent Child Abuse Arizona

Prevent Child Abuse Arizona • P.O. Box 26495, Prescott Valley, AZ 86312 • Phone: 928.445.5038

Trainings are funded by the Governor's Office of Youth, Faith and Family.

Children’s Justice Trainings

Children's Justice Trainings are courses designed to improve the investigations of crimes involving child maltreatment in a trauma-sensitive, developmentally-appropriate way. Unless otherwise noted, Children's Justice Trainings are *exclusively* for investigators of crimes involving child maltreatment, including law enforcement, DCS investigators, prosecutors, forensic interviewers, and tribal CPS investigators.

Cost: Children's Justice Trainings are free of charge thanks to funding from the Governor's Office of Youth, Faith and Family.

How to Request a Training

You may request to host a training by contacting Beth Murray at beth@yfac.org or (928) 445-5038. Trainings require a room that is free of charge (including parking), hold a minimum of 40 participants, and have A/V capabilities.

Visit pcaaz.org to review the training calendar and register for an already scheduled training.

Children's Justice Grant Training Descriptions

General Training

1. Abuse, Trauma and Forensic Interviewing (*for non-investigators only*)

Course Description: This training is designed to improve the follow-up care of child abuse victims by introducing non-investigative professionals to forensically-informed treatment, the process of victimization, and the way in which this interfaces with forensic interviewing techniques for prosecution and investigative purposes. This will broaden participants' knowledge of how reliable information is collected in a child-sensitive, developmentally appropriate and legally defensive manner.

Who Should Attend: This training is specifically designed for non-investigative professionals with duties that include dealing with children who are involved in abuse cases, including DCS Case Managers, Court Appointed Special Advocates, Guardian Ad Litem, and Counselors.

Training Hours: 8

AZPOST Certificate: none available

2. Police Officers, SROs and Forensic Interviewing (*for Police Officers and SROs only*)

Course Description: To improve the investigation and prosecution of child abuse cases by teaching first responders how to gather the appropriate information using protocol-informed best practices.

Who Should Attend: Patrol Officers and School Resource Officers

Training Hours: 2

AZPOST Certificate: 2 hrs

3. Child Abuse Within a Religious Setting

Course Description: This training will help law enforcement and religious leaders better understand their roles and responsibilities in child abuse cases by imparting legal requirements.

Who Should Attend: Religious professionals and volunteers, law enforcement, forensic interviewers, county attorneys, DCS Investigators, family service professionals, and medical professionals.

Training Hours: 2

AZPOST Certificate: 2 hrs

4. Criminal Jurisdiction in American Indian Country & Child Abuse

Course Description: To improve the investigation and prosecution of child abuse cases by teaching investigators about Tribal Jurisdiction and best practices for working with tribal communities.

Who Should Attend: Professionals with duties that include or will include interviewing suspected victims of child maltreatment, such as law enforcement, forensic interviewers, county attorneys, DCS Investigators, and medical professionals.

Training Hours: 2

AZPOST Certificate: 2 hrs

5. Seeing Red – Identifying and Responding to the Red Flags of Child Abuse

Course Description: This course examines a case involving the sexual abuse of a girl from age 11 into her adulthood under the guise of a polygamous marriage. The purpose of this course is to use this case to highlight the missed opportunities of identifying indicators of sexual, physical and emotional abuse and to demonstrate how getting a complete picture of the family and cultural dynamics increases the chances of a successful case outcome.

Who Should Attend: Professionals with duties that include interviewing suspected victims of child maltreatment or dealing with children who have experienced maltreatment, such as law enforcement, forensic interviewers, county attorneys, DCS Investigators, School Resource Officers, DCS Case Managers, Court Appointed Special Advocates, Guardian Ad Litem, Medical Professionals, and Counselors.

Training Hours: 2

AZPOST Certificate: 2 hrs

Investigation Trainings

6. Basic Forensic Interviewing in Child Abuse Cases

Course Description: To improve the investigation and prosecution of child abuse cases by teaching investigators interview techniques that gather the greatest amount of reliable information in a child-sensitive, developmentally-appropriate, and legally-defensible manner.

Who Should Attend: This training is exclusively designed for professionals with duties that include interviewing suspected victims of child maltreatment, such as law enforcement, DCS professionals, professionals with the Office of Child Welfare Investigations, and Prosecutors.

Training Hours: 8
