

Triple P® Positive Parenting Program in Arizona

An evidence-based, multi-tiered system for improving parenting practices, family well-being, and children's social and emotional well-being.

Calendar Years 2015-2020

8 out of 10 parents/caregivers reported the highest quality ratings for Level 4 Standard and Group Triple P

8 out of 10 who participated in a Level 4 Standard or Group Triple P parenting class reported that the program helped them to deal more effectively with their children's behavior

7 out of 10 reported that the program helped them to deal more effectively with problems that arise in their families

Parent Depression

Parent Anxiety

Parent Stress

Positive Parenting Practices

Family Relationships

Clinically significant improvements for Arizona parents and caregivers after participation in Level 4 Standard or Group Triple P: Each circle above represents parents who reported clinically significant challenges prior to participating in Triple P. The green portion represents the percent who then dropped into the non-clinical range in these areas after completing Triple P.

PCAAZ thanks our current Triple P funder:

Office of the Arizona Governor Doug Ducey
Governor's Office of Youth, Faith and Family

And prior Triple P funders:
